IBS and Constipation in Asians

5th Asan International
Digestive Disease Symposium

welcome message

Dear Colleagues

It's our greatest pleasure to welcome you to the upcoming 5th Asan International Digestive Disease Symposium. The ever-fast evolving medical science and technology have enabled us to make rapid advances in clinical research. The Asan International Digestive Disease Symposium has been an innovative format and fulfilled the practical needs of the physicians since its inauguration, and grown into a leading event for sharing the latest developments in research and patient care. With this continuing growth, we cordially invite all related practitioners and researchers from the globe to join our exciting learning and networking opportunities to enrich your clinical expertise.

We look forward to greeting you at the Asan Medical Center in Seoul, Korea in December.

Jin-Ho Kim M.D, Ph.D.

Director, Digestive Disease Center,
Asan Medical Center

Sung Koo Lee M.D, Ph.D.
